

*To have and to hold*

"My bounty is as  
boundless as the sea,  
my love as deep.  
The more I give to thee,  
the more I have, for both  
are infinite"

William Shakespeare

The Thorpeness Country Club is a magical venue for your wedding with outstanding views of the sea and beach.

Hosting your special day at The Country Club will ensure a memorable and enjoyable experience for both you and your guests and one that you will remember for many years to come.

*Welcome to your day*

Seating up to 120 guests, the Country Club will be exclusively yours for the whole of your wedding day. Enjoy your ceremony, wedding breakfast and evening reception in the same unique venue.

Built in 1913, it is a captivating setting full of character and charm. The surroundings create a wonderful backdrop for wedding photos and, as well as the delightful building, you will have full use of the outside area including space for a marquee in the garden at the back and a beachside lawn terrace.

*From this day forward*

The Country Club is licensed for wedding ceremonies, so you can be happy in the knowledge that once your guests have arrived, they can fully relax and enjoy the day with no need to move on after your ceremony has taken place.

Because the Country Club has a simple period charm, it can be styled according to your requirements, whether it be flowers, a particular theme or colour. The beauty of a wedding at the Country Club is that you can truly make it your own unique venue.

*a wedding breakfast, designed just for you*

Our chefs are as passionate about food as you are about your special day, and they know that good food and wine are an essential part of any successful wedding. They will work with you to produce exquisite menus using locally sourced food, tailored to suit your exact requirements.

*Your dream day, just as you want it to be*

Our professional and friendly team are on hand to help organise your wedding from start to finish and we'll make sure that everything happens just as you want it to. The Country Club is very much a blank canvas that you can make your own, and is an open space with a wonderful atmosphere that is completely different to any other setting.

We can give you plenty of ideas for themes and entertainment and have a considerable range of entertainers, performers and artistes at our fingertips to make your day memorable and unique.

*An intimate occasion*

For more intimate weddings, the Lakeside Room at Thorpeness Hotel offers a cosy dining experience where you can enjoy the company of family and friends.

Celebrate your wedding in style in this peaceful setting which has stunning views of the Meare and gardens.

*And so to bed...*

For that very special celebration, we have a selection of rooms and apartments available, so if you want to make a weekend of it, we can cater for parties of all sizes.

Why not stay over and enjoy all the facilities that the Hotel and Country Club have to offer.

There's no shortage of things to do  
in and around Thorpeness and Aldeburgh.

Walking along the beach, cycling, bird watching,  
boating on the Meare, clay pigeon shooting, a game  
of tennis, croquet on the lawn,  
a round of golf or even a spot of shopping...  
you'll find relaxing activities to suit everyone.

A venue for all seasons...  
the area is beautiful all year round. Weddings in the  
Autumn and Winter can be just as wonderful as those  
held on a balmy summer's day.

The sun rises later, which is a good reason  
not to get up too early. Allow some time for  
photographs during sunlight hours and spend the  
rest of the day in the warmth and comfort of  
Thorpeness Hotel or Country Club
